

Pikes Peak Corvair Club  
Meeting Minutes  
June 20, 2021

Called to order 12:45 pm by John Green at Palmer Lake Park. Thirteen members present and one via zoom.

Minutes of last months meeting were approved.

Treasurers report-General Fund \$3212.75, SeeMore \$3808.72. Total \$7021.47.

Discussed the by-laws in regards to reimbursement of expense of transporting SeeMore at .50 per mile. Tony will be paid \$898 from SeeMore fund for the Springfield trip.

Mail-Postcard from CNM with their events and info regarding the Tri-State. Also from Forney Museum requesting the clubs investment in the museum. The cost of investments levels were quite steep. Those present agreed to support the museum with club activities there.

Mary Ellen announced that Bud Edwards, a long time club member, passed away recently. A card was sent.

Membership-No new members.

SeeMore-trailer registration renewal has been paid. Looking for an alternate storage space for the trailer. Also need a consistant Plan B for hauling SeeMore to shows if Tony can't, or would like to take his own cars to shows. Someone suggested renting a truck.

Springfield trip adventures were exchanged. Those who attended said the CORSA museum was a very small venue.

Also was suggested that future trips for SeeMore not be any further than the trip to Springfield. If SeeMore is requested to be at certain events that

are further the club should request sponsorship to help cover costs.

At Springfield Mike Hall spoke to a club member about a national convention in Colorado. There was a strong response from the membership present. RMC and PPCC could put it on. Proposed that CNM to commit to helping. One comment made was we would have to have the total memberships involvement in such an endeavor, not the handful who participate now.

In Springfield Chris won a plaque for being one of the top three earlies at the show.

Four Corvairs from PPCC and one from RMC participated in the Castle Rock show the day before.

Concourse on Sept. 12 in Littleton. Ten cars can be entered. Will be club judging. Will invite RMC folks to enter.

Centennial show is August 22.

Rocky Mountain Airport in Broomfield on Aug 7. Seemore not going to this show. Volunteers needed at the gate and teardown. 100 swapmeet spots available. 50 are all ready reserved.

Cripple Creek August 23. Make your reservation at the hotel.

July and August meeting will be at Valley High

Mary Ellen gave an update on Dave.

Adjourned 1:40 pm.
