If you wish to make a memorial donation to honor Doug: The Buddy Center in Castle Rock, our local animal shelter, is a favorite cause of ours. We have donated tangible items to the shelter for years. The "intake" department is chronically undersupplied with necessities such as food, "reward" type treats, towels and washcloths, (intake bathing) blankets, and even toys. Doug expressed his wish that donations of tangible items be made in his name specifically to assist that intake department. However, if someone was to simply write a check and mail it to the building - the dollars would be funneled to the area headquarters (Denver) and deposited into a "general donation fund". Such a method would not fulfill his wish.

*This is a big ask but if you wish to donate to this cause in Doug's name, please consider mailing a check, payable to me, Layne Vinton, directly. (Apologies, no cash-transfer apps like venmo, zelle, paypal, square...) I promise that every penny will go toward the purchase of such items as listed above - and then delivered, by me, to The Buddy Center. (I will include a copy of the total purchase receipt with a Thank You note to you.) This is the only way for all of us to know that our donated dollars will benefit our local shelter directly.*

As an alternative, please consider making a donation to an animal shelter in your area.
