### Minutes of Meeting, 2 March 2022

The meeting was held in person at the Hagerty Insurance Workshop at 8101 Shaffer Parkway in Littleton Colorado and via Zoom provided by Calvin Craig.

The meeting was called to order at 7:31 pm. Officers present were President Dick Thompson, 1<sup>st</sup> Vice President Tom Mansfield, 2<sup>nd</sup> Vice President Calvin Craig, Treasurer Samantha Baker, and Secretary Richard Fritz via Zoom connection. Representatives of 18 clubs and one individual member were in attendance. The host, Zach Hazelhurst of Hagerty, guests, and new representatives were introduced.

**Minutes:** The minutes of the February 2<sup>nd</sup> CCCC meeting were approved.

**Treasurer's Report:** Account balances as of February 28 were:

Operating Account:	\$ 1211.81
Govt.Relations Account:	\$ 2620.00
Swap Meet / Car Show:	<u>\$ -99.84</u>
Total, all accounts:	\$ 3731.97
Reserve:	<u>\$26971.92</u>
Total:	\$30703.89

Samantha read the names of 17 clubs that have renewed for 2022 and urged that others do so as soon as possible.

The Treasurer's Report was approved unanimously.

**Legislative:** Leo Boyle reported via the Zoom connection on bills currently being discussed in the 2022 legislative session and which might have some impact on vehicle owners. Most have little bearing on collector vehicles. House Bill 1004 (**HB22-1004**) proposes a funds transfer from the General Fund to the Licensing Services Cash Fund to avoid having to raise drivers license fees. **HB22-1254** concerns licensing requirements for persons moving to Colorado and then licensing their vehicles. **HB22-1162** proposes authorization of "digital

number plates” in lieu of the metal plates now required. Senate Bill 22-138 (**SB22-138**) is a very complex bill aimed at implementing greenhouse gas emissions reductions in Colorado. It puts requirements on insurance companies to add “climate-risk assessments” of investment portfolios, redefines “agrivoltaics” (yes, that’s a new word), eliminates gas-powered lawn mowers etc., provides a credit for purchasers of electrical replacements for gas equipment, and tightens the GHG reduction requirements. And there’s more, but nothing aimed at on-road vehicles, old or new. Leo will follow how all this moves forward.

**Car Thefts:** Car thefts are up 500% in the Denver area and that has included collector vehicles. Owners are advised to park cautiously and consider anti-theft devices. The CCCC trailer (used at the Airport Show) was stolen but has been recovered. It will now have a wireless device added that will detect if it is moved.

**Tri-State Car Show (March 12-13):** CCCC has reserved booth spaces and will have event and reservation forms for the August 6<sup>th</sup> Airport Show. Volunteers are assigned to man the booth.

**CCCC Meeting locations:** Dick Thompson gave the pros and cons of having different locations for the Council’s meetings. It was moved and seconded that the primary location be at the Forney Transportation Museum for at least half the meetings. Other meetings will be at outlying locations such as in Colorado Springs and Longmont or at businesses related to cars and collections. The motion was approved but can only be a recommendation since the meeting did not have a quorum present. John Ehrlich and Jay Thomas volunteered to arrange CCCC meeting locations.

**Airport Show (August 6 at Rocky Mountain Metro Airport):** Dick Thompson urged clubs to consider renting a swap meet space to promote their club and to sell excess parts. Rick Ruel volunteered to coordinate vender sign-ups and locations. There will be an event committee meeting on March 14, 5 pm, at Brothers BBQ, 565 US287 in Broomfield. Anyone interested is welcome to attend.

**Newsletters:** Dick Thompson asked that clubs put him on their newsletter mailing lists. Via email: [Thompson660@cs.com](mailto:Thompson660@cs.com) or 14799 E. Chenango Pl., Aurora CO 80015 via USPS.

**Next Meeting:** In Colorado Springs at the Falcon Police Station, 7850 Goddard Pl. That is just south of I-25 Exit 150. As usual, start time is 7:30 MDT or maybe 7:31.

**Adjournment:** The meeting adjourned at 8:34 pm.

Respectfully submitted, Richard Fritz, secretary.
