Exhaust system: Only stock exhaust tubes allowed, headers?	20			
Step removal to increase compression. (Cleanup of gasket face, no penalty)	10_			
Other than stock specification camshaft?	15_			
Non-distributor ignition system?	5_			

If the total for your car exceeds 125 points – Your car will run in Street Modified. If you don't fill out and present this form to Tech, you will run in a Street Modified class (if you are legal for that Street Modified class.) If the car is classified into the Improved Stock category, this filled-out form will stay with the car and displayed on the car in pre-grid.
