## FIRST CLASS MAIL

## SECC: SouthEast Corvair Council *News & Events*

### From the President:

Here we are just a matter of weeks before our Spring event for 2007. Inside you will find a registration form and if you have not already registered please do so. There is going to be camping at the facility

and several of us staying at the Econo-Lodge so if you have not made your reservations you better do so soon, like... now. Talking with Sarah, there have been a few new people. So it appears our event is growing, slowly but surely each year. If you have not advertised this event to friends or co-workers, please do so. We are going to have a lot of fun, as we always do!

The Flying Pig took a year off last year and will be "trimmed down" for the event this year and the self-healing paint job is really coming along. With all the rain we have had, the new scratches hardly show up at all! Look forward to seeing everyone.

Donnie Bird
