## News & Events

### From the President:

Wow, here it is time for the 2009 Autocross! As you see from the picture we had a nice snow storm here in the Upstate of SC. We are not use to getting six inches of snow the first week of March. I hope everybody else has their car ready to go. I got the orange Scion Xb out but it was not as much fun as a rain-slick track. Others up had their Corvairs out and had a good time playing.

If you have not made your hotel reservation for the convention I would like to encourage you to do so. Jane and I have made ours and the hotel looks great on the waterfront. It will be so nice seeing Corvairs lined up there. Here is the link to get your reservation:

Also, make sure you have Sunday July 12 on your calendar for Time Trials NECC & SECC at Roebling Road. For updates and more information go to [www.neccmotorsports.org](http://www.neccmotorsports.org).

Happy Corvairing!
